- 100 to a bag

QUAD COAX PATCH CABLE - F COMPRESSION CONNECTION (3,6,10,15,25 FT SIZES)

PRODUCT PHOTO:

(PRODUCTS NOT SHOWN ACTUAL SIZE)

PDI PART #:
Q6V64-DS-0XX
(03,06,10,15,25)

SPECIFICATIONS:

- RG6 Quadsheild with compression fittings

COMMENTS/GENERAL APPLICATION:

TERMINATOR - 75 Ohm (PACK OF 100)

PRODUCT PHOTO:

(PRODUCTS NOT SHOWN ACTUAL SIZE)

PDI PART #:
F-59T

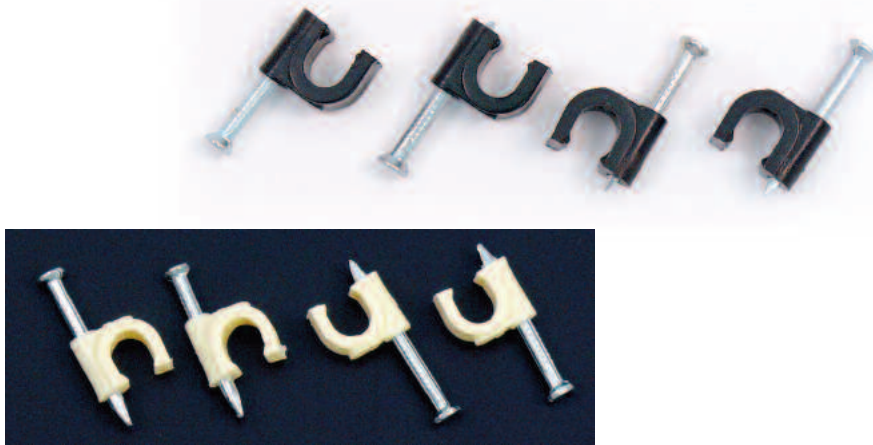

SPECIFICATIONS:

COMMENTS/GENERAL APPLICATION:

- 75 Ohm terminator used to terminate all un-used ports to prevent ingress and egress of unwanted signals

RG6 TACK CLIPS (PACK OF 100) (BLACK OR IVORY)

PRODUCT PHOTO:

(PRODUCTS NOT SHOWN ACTUAL SIZE)

PDI PART #:
CO-7 BK & SC-7 IV

SPECIFICATIONS:

Single cable clips with nail - Bag of 100

- Black or ivory 7mm Cable clip for RG-6
- Hi Impact plastic
- Pre-installed nail
- Packaged in bag of 100

COMMENTS/GENERAL APPLICATION:

These handy little CABLE CLIPS are great for pre-wire or after build installs. The clips secure RG-6 to concrete or wood making for a neat, professional installation of RG-6 cable. Easy to use and highly reliable. The tough, precision engineered plastic clips hold wire and cable securely in place. The nail is perpendicular to the work surface and driven straight in, greatly reducing cracking. The Nail Clips have no sharp edges, reducing the chance of cutting cable jackets or sheaths and causing signal loss

RG59 TACK CLIPS (PACK OF 100) (BLACK OR IVORY)

PRODUCT PHOTO:

(PRODUCTS NOT SHOWN ACTUAL SIZE)

PDI PART #:
CC-6 BK & CC-6 IV

SPECIFICATIONS:

Single cable clips with nail - Bag of 100

- Black or Ivory 5mm Cable clip for RG-59
- Hi Impact plastic
- Pre-installed nail
- Packaged in bag of 100

COMMENTS/GENERAL APPLICATION:

These handy little CABLE CLIPS are great for pre-wire or after build installs. The clips secure RG-59 to concrete or wood making for a neat, professional installation of RG-59 cable. Easy to use and highly reliable. The tough, precision engineered plastic clips hold wire and cable securely in place. The nail is perpendicular to the work surface and driven straight in, greatly reducing cracking. The Nail Clips have no sharp edges, reducing the chance of cutting cable jackets or sheaths and causing signal loss

SECURITY TOOL - 1 INCH

PRODUCT PHOTO:

(PRODUCTS NOT SHOWN ACTUAL SIZE)

PDI PART #:
ST-1

SPECIFICATIONS:

Pocket Slotted Wrench - Cable Lockout Key

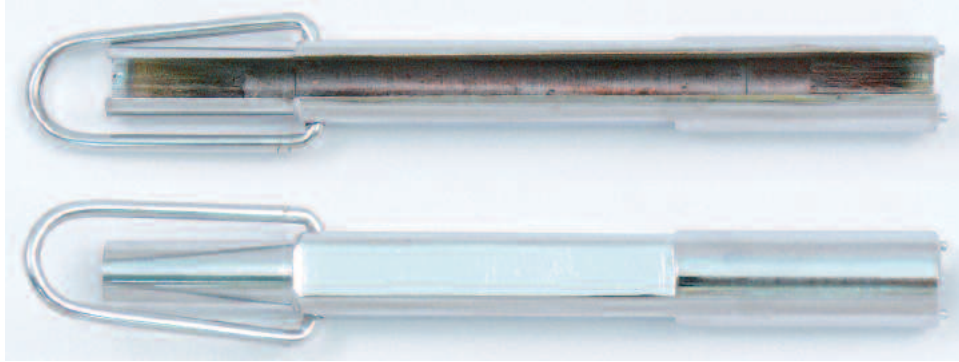

- 7/16" Socket
- Keyring attachment swings to side for more leverage on tight fittings.
- Length: 2 1/8"

COMMENTS/GENERAL APPLICATION:

A great addition to any installers keychain! This tool was designed for installing and removing lockouts from the cable companies taps and splitters. However, it is even more useful for breaking loose tight connectors. This Handy wrench saves your fingers when installing and removing connectors

SECURITY TOOL - 3 INCH

PRODUCT PHOTO:

(PRODUCTS NOT SHOWN ACTUAL SIZE)

PDI PART #:

ST-3

SPECIFICATIONS:

Slotted Wrench - Cable Lockout Key

- 7/16" Socket
- Keyring attachment swings to side for more leverage on tight fittings.
- Length: 6 1/2"

COMMENTS/GENERAL APPLICATION:

This tool was designed for installing and removing lockouts from the cable companies taps and splitters. However, it is even more useful for breaking loose tight connectors. This Handy wrench saves your fingers when installing and removing connectors

SECURITY TOOL

PRODUCT PHOTO:

(PRODUCTS NOT SHOWN ACTUAL SIZE)

PDI PART #:
PTP-59-LTT-7

SPECIFICATIONS:

7" Termination Installation Removal Tool

Used on the following Terminators:

- Corning Gilbert GTP
- PCT International TPG
- PDI Inc PTP-59, PTP-59LR
- Sinal Vision, Inc SV-LT & SV-LTA
